

**Ragnar Benson
Construction**
A WILLIAM CHARLES COMPANY

NOTICE TO DISADVANTAGED BUSINESS OWNERS

Ragnar Benson Construction, Equal Opportunity Employers, are seeking disadvantaged businesses for subcontracting and vendor opportunities for construction of the:

Port of Savannah International Multi-Modal Connector Package 3, for the Georgia Port Authority at the Garden City Terminal in Garden City, GA.

To assist certified Disadvantaged, Minority, Woman and Small Business Enterprise contractors and suppliers will be responsible for the following items including, but not limited to: earthwork, drainage, erosion control, striping, asphalt pavement, crane rail and concrete runways for Rail Mounted Gantry (RMG) Cranes, compressed air system, utility work, lighting, fencing, electrical and communication work. Rail work for the project will include installing turnouts, switches, track, and other track materials. Electrical work will also include electrical power for the RMG cranes including directional drilling, electrical vaults, crane power anchor pits, and a crane electrical building.

The utmost consideration will be given to dividing total requirements into smaller activities or quantities which will permit maximum participation of disadvantaged businesses where feasible. Please feel free to contact us for more information about these projects.

Subcontracts will be awarded based on price and ability to perform work.
